My Commission Expires:

**PUBLIC NOTICE OF APPLICATION BY**  
**WORDEN WATER COMPANY FOR APPROVAL TO TRANSFER**  
**ITS CERTIFICATE OF CONVENIENCE AND NECESSITY**  
**DOCKET NOS. W-02221A-05-0505 &**  
**W-20391A-05-0505**

On July 15, 2005, Worden Water Company ("Company") filed an application with the Arizona Corporation Commission ("Commission") for approval to transfer its Certificate of Convenience and Necessity ("Certificate"), from Arthur O. Worden (deceased) to his children Janice E. Worden and Lawrence A. Worden ("Transferees"). If the application is granted the Transferees would be the exclusive provider of water service within the Company's service area, and would be required to provide service on the terms and conditions as established by the Commission. The Commission may consider the application without a hearing, unless a hearing is requested by a party to the proceeding.

The application is available for inspection during regular business hours at the offices of the Commission in Phoenix, at 1200 West Washington Street, Phoenix, Arizona, and in Tucson, at 400 West Congress St. Suite 218, Tucson, Arizona and at the offices of the Applicant, Worden Water Company, 15150 West Ajo, #568, Tucson, Arizona. The application is also available on the Commission's website, [www.azcc.gov](http://www.azcc.gov), using the e-Docket link.

As a property owner or customer you may have the right to intervene in the proceeding and request a hearing. If you do not want to intervene, you may file a statement on your own behalf. Intervention shall be permitted to any person entitled by law to intervene and having a direct and substantial interest in the matter. Persons desiring to intervene must file a written notice to intervene with the Commission, which motion should be sent to the Applicants or their counsel and to all parties of record, and which, at the minimum, shall contain the following:

1. The name, address, and telephone number of the proposed intervenor and of any party upon whom service of documents is to be made if different than the intervenor.
2. A short statement of the proposed intervenors interest in the proceeding (e.g., a customer of the Applicants, a shareholder or member of the Applicants, etc.
3. A statement certifying that a copy of the motion to intervene has been mailed to the Company or its counsel and to all parties of record in the case.

The granting of motions to intervene shall be governed by A.A.C. R14-3-105, except that all motions to intervene must be filed on or before September 15, 2006. In the event Intervenor wish to request a hearing, such request shall be made no later

than September 15, 2006. The granting of intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine other witnesses. However failure to intervene will not preclude any customer from making a statement on such customer's own behalf. However, you will not receive any further notice of the proceeding unless requested by you.

If you have any questions or concerns about this application or have any objections to its approval, wish to intervene and request a hearing, or wish to make a statement in support of it, mail them to:
